Company Introduction

Veterans Yielding Better Opportunities, LLC is a Woman and Service-Disabled Veteran-Owned Small Business. VYBO's headquarters is located in Chester, Virginia, established by veterans to assist fellow veterans and career professionals in today's world. We aim to provide you with high quality service that you can rely on. We pledge to always achieve our ultimate goal, SUCCESS! We use a complex screening procedure and tacit knowledge to strategically place well-qualified individuals. We strive to do our best in matching employees with jobs where they will deliver outstanding results. We deal with a wide scope of work, from our logistical and supply services to our administrative and information technology sector, we do it all! Providing excellent and friendly service, we hope to become a leader in this industry. Established from humble beginnings, we have worked our way up from the ground and we want to create a new standard for years to come!
